

HELP MENTOR THE NEXT GENERATION OF LEADERS!

Virtual Internship Program (VIP)

Apply for a unique and innovative internship experience that will cover topics such as civic engagement, media, youth mentorship, and professional development. Through VIP, you will have the opportunity to participate in different capacities within our Youth & Government programs to help implement programming for our middle and high school participants. You do not have to live in California to join!

As an Intern in our VIP Program you'll have the opportunity to be an Advisor Leader or a Program Assistant. To prepare for your roles, you will participate in training sessions centered around:

**Youth
Mentorship**

**Presentation &
Facilitation Skills**

**Cross-Cultural
Literacy**

**Resume & Cover
Letter Workshops**

**Conflict
Management**

And much more!

When you are not fulfilling your roles within the program or improving your leadership skills, you'll be having fun with your fellow Interns! On top of providing quality academic and professional values, this program is a great way for you to meet other interns and foster long-lasting friendships with individuals across the state and beyond.

If you are interested in getting involved, please fill out this [application form](#)! If you have any questions or would like more details, please visit [Virtual Internship Program](#).
